APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to all prior rights on the source herein named.

The water used for power purposes must be returned to the main stream as expeditiously as conditions will permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic feet per second.

Actual construction work shall begin on or before May 1st, 1912.

Proof of commencement of work shall be filed before June 1st, 1912.

Work must be prosecuted with reasonable diligence and be completed on or before May 15th, 1914.

Application of water to beneficial use shall be made on or before October 15th, 1915.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 15th, 1915.

WITNESS MY HAND AND SEAL this 2nd day of April, 1912.

Proof of labor filed MAY 28 1912

Map filed JUN 25 1912
